

# AP® Biology Crash Course Book + Online (Advanced Placement (AP) Crash Course)

REAs Crash Course for the AP Biology Exam - Gets You a Higher Advanced Placement Score in Less Time

Crash Course is perfect for the time-crunched student, the last-minute studier, or anyone who wants a refresher on the subject. Are you crunched for time? Have you started studying for your Advanced Placement Biology exam yet? How will you memorize everything you need to know before the test? Do you wish there was a fast and easy way to study for the exam AND boost your score? If this sounds like you, don't panic. REAs Crash Course for AP Biology is just what you need. Our Crash Course gives you:

- Targeted, Focused Review - Study Only What You Need to Know
- Crash Course is based on an in-depth analysis of the revised AP Biology course description outline and sample AP test questions. It covers only the information tested on the exam, so you can make the most of your valuable study time. Our targeted review focuses on the 4 Big Ideas that will be covered on the exam. Explanations of the 13 AP Biology Labs are also included.
- Expert Test-taking Strategies

This Crash Course presents detailed, question-level strategies for answering both the multiple-choice and essay questions. By following this advice, you can boost your score in every section of the test.

Take REAs FREE Practice Exam

After studying the material in the Crash Course, go to the online REA Study Center and test what you've learned. Our free practice exam features timed testing, detailed explanations of answers, and automatic scoring analysis. The exam is balanced to include every topic and type of question found on the actual AP exam, so you know you're studying the smart way.

Whether you're cramming for the test at the last minute, looking for extra review, or want to study on your own in preparation for the exams - this is the study guide every AP Biology student must

have. When its crucial crunch time and your Advanced Placement exam is just around the corner, you need REAs Crash Course for AP Biology!
