

Cleopatra Serpent of the Nile (The Thinking Girls Treasury of Dastardly Dames)

The richest, most powerful woman in the world, Cleopatra ruled the East and tamed the West. With both cunning and charm, she beguiled two of the most famous men in history, entwining Egypt's destiny with Rome's. Many believed she was as sly as a serpent. Or was she just smart? Gorgeous illustrations and an intelligent, evocative story bring to life a real dastardly dame who, despite her schemes, lost everything including her beloved homeland.
