

Finding your trading method is the main problem you need to solve if you want to become a successful trader. You may be asking yourself, can I find my own trading method that will reflect my own personality toward trading? For example, do you have the patience to sit in front of a computer and trade all day? Do you prefer to swing trade from 3-5 days or do you like to hold positions for weeks and even months? Every trader is different. You need to find your own trading method. Finding out your trading method is extremely important to produce a profitable benchmark that can be replicated in your live account. Perhaps the best way to find a successful trading method is to listen to many expert traders to understand what they have done to be successful. The best way to do that is to listen to the Traders World Online Expos presentations. This book duplicates what these experts have said in their presentations, which explains what they have done to find their own trading method. If you have a trading method that gives you a predictable profit, then that type of objectivity contributes to your trading edge. The problem with most traders is that being inconsistent will never allow them to have an edge. After you find your trading method that you feel comfortable with, you must have the following: An overall plan to: 1) Set your rule set and plan and then stick with it in all of your trading. 2) To give you a trading plan for every day. The trade plan then should: 1) Have an exact entry price 2) Have a stop price 3) Have a way to add positions 4) Tell you where to take profits 5) Have a way to protect your profits By reviewing all the methods given in this book by the expert traders, it will give you the preliminary steps that you need to find your footing in finding your own trading method. Reading this book and by seeing the actual recorded presentations on the Traders World Online Expo site can act as

a reference tool for selecting your method of trading, investment strategies and tactics.
