

GURPS Magic Items 2 once again opens the doors to shops full of arcane artifacts and enchanted objects ... over 450 completely new items. All of the familiar magical shops from Magic Items are here, with new items for armor and protection, magical weaponry, mystical healing, necromantic magic, curses, tricks and traps, and more. In addition, this book introduces eight new shops that magic-seeking adventurers can visit, with items for bardic magic, adventuring items, holy magic, and toys and entertainment.
