

## Louis Armstrong (American Graphic)

Louis Armstrong, also known as Satchmo and Pops, became an American jazz legend in the 1920s. His voice and skill with instruments helped him become a popular musician in a time where America was racially divided. Watch as this skilled musician learns to play, buys his first instrument, and becomes one of the best music makers of the era.

Gr 6-9-This attractive, well-researched series is written in sophisticated language, with the more difficult vocabulary and musical terms defined within the text.
