

Great Grilled Cheese: 50 Innovative Recipes for Stove Top, Grill, and Sandwich Maker

Brie and apricot jam on a baguette; spinach and goat cheese on a croissant; blue cheese and fresh figs on crusty Italian bread: this is not your mothers grilled cheese sandwich. In Great Grilled Cheese, cheese expert and award-winning cookbook author Laura Werlin presents 50 scrumptious grilled cheese and panini recipes that range from the traditional to the contemporary. In addition to the more inventive combinations, including grilled cheese for dessert, theres always room at the table for the classics: grilled American on white, or apple, ham, and cheddar on sourdough. Werlin discusses techniques, nonstick versus cast-iron pan, whether to cover during cooking, how to use the ultrapopular panini machine. Maren Carusos tantalizing photographs perfectly convey the appeal of creamy melted cheese pressed between two slices of crisp, buttery bread. For cheese aficionados, parents whose kids insist on grilled cheese at every meal, and the kid in all of us who craves comfort food, Great Grilled Cheese will satisfy everyones cheese dreams.
