

Pension Funds and Private Equity: Unlocking Africa's Potential

Local capital in sub-Saharan Africa has vast potential, not only as a catalyst to attract capital to the continent, but also to fill the huge development financing gap. This timely and comprehensive study reviews the pension industry in 12 African countries: Botswana, Ghana, Kenya, Namibia, Nigeria, Rwanda, Sierra Leone, South Africa, Swaziland, Tanzania, Uganda and Zambia, reporting on both the current levels of investment, and the actual and potential barriers to increasing investment in private equity.
